Finishes

California Faucets®
Custom Faucetry®

Polished Chrome

PC
Polished Chrome

PVD **(Physical Vapor Deposition)** finishes come with a lifetime guarantee against tarnishing. Super-hard and molecularly bonded, PVD is by far the most durable finish available.

LF **(Living Finishes)** are created by artisan hands to uniquely age and change over time. Because they are more delicate by nature, make sure to follow our living finish care instructions.

Special Finishes
